

## Archery Committee minutes

Date: 24-10-02

Time Start: 7:30

Present: mad John, Sgt Ian (aka pickled), Matts dozen, jungle jim & Scottish Ross

Absent: Lisa

First point: GNAS (Ross needs to have it sorted very soon)

Second point: where to shoot Butts leg? Possible use of EHB hall. Also where to shoot in the summer. Possible idea for outdoors for winter time as well (just 1 day a week)

Third point: money matters : 3 bosses @ 270 in all, 5 bow cases for roughly 100 in all, and we need some metal knocking points.

Q&A's

AOB: Someone has info on go-carting, could they please send it to the Sgt.

BUSA: we could stick in a form for hosting it this year, but we would need to a)see where we could shoot, b)see if we could get all the equipment nessesary.

Clothes: the decent clothes (the purple ones) would be a really good idea to offer to the freshers and us, that way least they have something to show. 😊

Next weeks shooting roster:

Fri: (no ross)

Sat: (no ross)

Sun: (no ross)

Tue: Ross

} Sorry for not sorting this out. 😞

End Time: 8:15
