1. Website

TC believes new AU website is good for advertising the club in general but expressed concern about lack of room for sufficient detail on new AU website, which is viewed as too restrictive. As of yet, LSAC are retaining their old website as it includes respective information about leagues and equipment.

Committee are not as yet allowed to edit the new website, despite it being live. If editing is required, the AU must be emailed with changes.

Amendment: At the AU meeting later this evening, it was announced that log-in details for admin will be available this week for the new website and that there will be workshops for Chairs and Media Reps on editing the website (dates tba.)

TC to email freshers with respective information about equipment to buy, etc.

2. AU Bazaar

3. Fresher's Social

The Fresher's Social will take place on either **Thursday 18th or Friday 19th October** (Friday 19th is more likely as PR has mentioned that she is unavailable on Thursday 18th). TC, EP and LR have all brought kit.

Committee to encourage ALL club members (including themselves) to buy at least a polo shirt to ensure uniform conformity at competitions.

Amendment: The AU have stated that all social T-shirt (i.e. IOM t-shirts) cannot be ordered through Kukri and must not have 'Loughborough Students' or the new sports logos on them. They may have the abbreviation LSAC on them.
