Date | time 11/11/2015 19:30 | Location DMTC

Meeting called by	Ben Clark	Apologies
Type of meeting	Fortnightly Meeting	None
Note taker	Matthew Peers	

Main Business

Chair

Ben

- Ben welcomed the new Novice Representatives (Georgie Jones & Tom Bath) to the committee and explained that they would be taught how to run sessions following the Christmas holiday.
- Ben asked the committee if they were interested in hosting the 'Workplace Games' following an email received to the club, the committee decided that this would be worth doing.
- Club equipment will be left set up overnight after Saturday 21st's session in readiness for BUTTS Leg. 9 Bosses will be utilised.
- Maggie has asked about attending two sessions a week (Monday & Wednesday), it was discussed whether the committee was happy with this and could the club afford it. The general consensus was that this was a good idea but some surplus from the transport budget may be required to cover the extra cost.
- The DMTC nets will now be fixed on the 24th November at the earliest, however Ben is going to discuss options with Mark Davnee regarding a temporary solution for the Loughborough BUTTS Leg.
- Ben has now received permission to use his registration app, this is now finalised and will be rolled out shortly. The app is capable of recording ID numbers along with location data.

Secretary

Matthew

- Matthew has now distributed all the received ArcheryGB (AGB) cards that the club has received for existing members, he will also confirm with AGB why cards for deleted members have been received.
- Matthew also gave a brief overview of the AGB Roadshow and the proposals that were raised. Full details of these will be available through AGB's website shortly.

Treasurer

Laura

- Laura reported that the ICB funds have now dropped below £200, so has suggested running a raffle at the Loughborough BUTTS Leg. Ben informed Laura that this should not be necessary, as the ICB funds have usually remained below this level.

Team Captain

Sarah

- Sarah informed the committee that the ½ Portsmouth results will be published shortly along with information on shooting etiquette, ahead of the first BUTTS leg.
- The team for the first BUTTS leg is currently being finalised with a few novices left to confirm, once numbers have been confirmed the transport arrangements will follow.
- Sarah checked with the committee how many space Loughborough will have at the 2nd BUTTS Leg, this will be 18 + any extra spaces that come available from other teams.

Equipment Officer

Arthur

- Arthur reported that all the club arrows have now been repaired, it was also confirmed that the club intermediate bows will now be distributed following the Loughborough BUTTS Leg.

Tour/Recs Officer

Louis

- The sessions for the Loughborough BUTTS Leg will be split as follows; Loughborough & Derby will shoot in the 10AM session, Warwick & Birmingham will compete in the 1PM session. Tom C & Richard A will be the judges and further assistance may be provided by Chris D. Louis will shortly send out further information about the social, requesting information on the number of attendees.
- Arranging the Chair's Challenge Shield will be handled by Ben, and has now been arranged for Saturday 5th December.
- In view of not submitting October's results for the E-League, Arthur has reminded Louis that months change. Louis will look to see what interest there is in the club entering the LRCAA 300, and maybe arranging one night a month when this could be shot.

Social Sec

Jonathan

- Jonathan is planning on organising a range of socials with roughly one every week. Ideas include: The Hunger Games (Part 4), A board game social, A comedy social & finally the Christmas Social.

- The Committee Social will be held on Friday 20th November and will be hosted at either Jonathan's or Arthur's houses.
- So far 4 members are interested in attending the Loughborough Fair, Jonathan will try and drum up further interest.
- After the Loughborough BUTTS leg, the results and boat race will be hosted in the Orange Tree, with the meal occurring at Kura Kura (former Noodle Bar).

Novice Reps

Georgie & Tom

- Georgie & Tom gave a brief introduction of themselves, before Ben explain further about what their roles on the committee involve.

Alumni Officer

Mr. Tom

- Tom reminded the committee to email out all important information as well as posting it on the Facebook page, to improve the reliability of communication.
