## Main Business

**Chair** - Laura Hutchinson

### – *Report;*

- S&C
  - Have now been sent list of exercises for intermediate archers – will ask him to lead some S&C sessions in powerbase, book a room, for next term – make it pp people only – he will come to a session at some point to show intermediate archers the exercises
- Sessions
  - Reiterating the fb post from yesterday – making sure all equipment is away, do the register, pack down range, etc.
  - Monitoring novice attendance not as important as experienced attendance currently
- Archery legends
  - Arthur and Laura had a meeting with Ben, price of shooting at archery legends quoted - £200 – will offer it to experienced archers – have passed this to Ian Reed, no word yet
- Beginner kit package
  - Spoke to Ben about this as well – there is a price – on 11<sup>th</sup> dec, equipment ass – will be 3 tiers for recurve and barebow
  - Riser - is discounting the old wave, £285 pounds for new wave – there will be a sizeable discount – essentially get new wave for almost same price as old wave
  - Limbs – mybo and akusta – akusta a bit more expensive – bigger discount on mybo stuff
  - Has agreed to let us borrow some from merlins so people can see the setup – should get one of everything in each package
- CCS
  - Target list done, medals bought, scoresheets made
  - Potentially get medal stickers with club logo for future use – need to see if in budget
  - Starts at 5.30pm, ask people to arrive at 5pm, hall is booked until 9pm
- Friendly
  - Nottingham hosting a friendly – have asked if we want to host friendly too – have time during Saturday sessions and would encourage people to do scoring – thinking of doing a half FITA and then h2h – find a weekend in term 2 before BUCS final

- Charity stuff
  - Charity donation still has not been made – will get done at some point
  - Would be good to start having some charity events now that we have a chosen charity to donate to – e.g. themed fun shoots, raffle

## Novice Reps – Patrick Alexander & Cindy Lo

– *Report;*

- Feedback from beginner’s course survey
  - 12 responses
  - Generally very positive – most enjoyed doing archery, trying new bowstyles and seeing improvement through coaching
  - Constructive feedback – not enough opportunity for mingling, not introduced to new bowstyles earlier
  - Made friends with coaches
  - Improvements – more 1on1 time with coaches, more timed sessions
  - Do post about committee’s response to feedback

## AOB

- Potentially worth looking into a lighter longbow – lowest one we have is 32 – buy a cheap one just to transition with
- Hoover for after sessions – might not work on floor – check at today’s session if it works
- Alumni can finally buy membership
- Changeover document – write a month by month calendar of committee responsibilities by new year for new committee.
- Affiliation fees to county – Andrew needs an invoice, county won’t give invoice – still hasn’t been paid, very strong chance our membership will be suspended if not paid soon
- Minutes – everyone okay with the minutes
