Tempest - Online vote to stick with Tempest, The second half of the club kit has not arrived yet and the union did not send the Stubbs shirt back, so they are talking to tempest and asking them to send the second half or the order and a new shirt for Stubbs. Given the union our list of people who have ordered things and when they ordered them. There should be a 50% discount on the first order, a 40% discount on the first half of the second order, and we will have to wait for the second half to come to see if we get it free.
